
Unsolved episodes split by coverage: of the round-44 student's unsolved episodes, 63% got within 90% coverage at some moment. Original and round 44: final test (D051), 300 fresh scenes per shape; round 50: its own fresh test (D054), 200 per shape. Shades of each policy's colour show the same four outcomes. Data: final_tests_episodes.csv.
